**EQUITY RESEARCH - COMPANY REPORT** 

# ASSETWISE ASW TB

THAILAND / PROPERTY DEVELOPMENT

# Stronger 4Q22 than expected

- Robust 4Q22 core profit of THB276m (+372% q-q, +28% y-y), supported by two newly built condos which have a high margin.
- Despite the 22% y-y dip in 2022 core profit, 2023 core profit should surge by 48% from nine newly built condos.
- Maintain BUY and our TP of THB9.6.

# 4Q22 performance soared q-q and y-y

ASW reported a 4Q22 net profit of THB429m (+125% q-q, +99% y-y). Excluding gains from investments after signing a new JV project worth THB153m, its normalised profit was equal to THB276m (+372% q-q, +28% y-y), beating our estimate by 18% due to a higher-than-expected gross margin. Transfer revenue soared 128% q-q and 20% y-y in 4Q22, peaking at THB1.8b from the transfer of two new condos: Kave Ava (THB2.4b, 71% sold) and Modiz Collection Bangpho (THB1.2b, 37% sold), which have a higher margin. As a result, the 4Q22 property gross margin jumped to 46.2% (vs 36.6% in 3Q22 and 41.3% in 4Q21).

# Expect robust 2023 core profit from more newly built condos

On a full-year basis, ASW posted a 2022 net profit of THB1.1b (+18% y-y). Excluding extra items, 2022 core profit dropped by 22% y-y to THB688m due to higher SG&A following the business expansion. Nonetheless, we expect 2023 core profit to surge 48% y-y to THB1.0b, with transfer revenue growth at 36% y-y to THB7.1b (vs company's target of THB7.2b). This should be supported by nine newly built condos throughout the year worth THB14.8b with 60% presales, on average.

# Positive tone as new projects have been well-received

At the analyst meeting today, management indicated that campus condos still have strong demand, with Kave Embryo Rangsit (worth THB780m) selling 60% since launching on 18 Feb. Another highlight project named Kave Town Island (worth THB3.15b) was well-received at a pre-booking event on 24 Feb – official presales are planned on 25 Mar. Preliminarily, we project 1Q23 core profit to slow q-q due to the high base in 4Q22 but jump y-y from two newly built condos: Modiz Launch and the JV project named Atmoz Bangna. Earnings momentum should increase in 2H23 and peak this year in 4Q23 following the project transfer plan.

# Maintain BUY rating with a TP of THB9.6

We maintain our TP of THB9.6, based on 8x 2023E P/E. We think ASW is attractive for its bright 2023 earnings prospects. It also has an inexpensive valuation, with shares currently trading at 7x 2023E P/E. Meanwhile, ASW has announced a DPS of THB0.5226 for its performance in 2022, implying a high dividend yield of 6.3%. The stock's XD is on 28 April and the dividend will be paid on 18 May 2023.

#### Investment thesis

Management has a positive view on the outlook for the property market and has unveiled an aggressive 2023 business plan, with the aim of breaking company records in the following key areas: 1) 12 new project launches with a combined value of THB22.5b (+2.1x y-y), 70% of which will be condos under the Kave brand, along with three low-rise projects; 2) a presales target of THB15.0b (+6% y-y); and 3) transfer revenue growth to THB7.2b vs our estimate of THB5.2b in 2022.

# Company profile

Established in 2005, AssetWise currently operates as a holding company principally engaged in the business of real estate development for sale and lease. It also operates a real estate agency and offers intermediary services for international payments. ASW listed on the Stock Exchange of Thailand on 28 Apr-21.

www.assetwise.co.th

# **Catalysts**

Key potential growth drivers include 1) higher-than-expected take-up rates for new projects and inventory; 2) faster-than-expected backlog realisation; 3) new business expansions; and; 4) new JV project developments so that it might book one-time gains on investments.

# Risks to our call

Downside risks to our P/E-based TP include 1) weaker than expected consumer purchasing power; 2) cancellation of presales; 3) customer loan rejections; 4) delays in construction; 5) intense competition; and 6) rising construction costs.

# **Event calendar**

Date	Event

# **Earnings sensitivity**

- For every 5% increase in transfers, we estimate 2023 net profit to rise by 6.5%, and vice versa, all else being equal.
- For every 0.5% increase in property GPM, we estimate 2023 net profit to rise by 2.8%, and vice versa, all else being equal.
- For every 0.5% increase in SG&A to sales, we estimate 2023 net profit to fall by 2.7%, and vice versa, all else being equal.

The disclosure of the survey results of the Thai Institute of Directors Association ('IOD") regarding corporate governance is made pursuant to the policy of the Office of the Securities and Exchange Commission. The survey of the IOD is based on the information of a company listed on the Stock Exchange of Thailand and the Market for Alternative Investment disclosed to the public and able to be accessed by a general public investor. The result, therefore, is from the perspective of a third party. It is not an evaluation of

operation and is not based on inside information.

The survey result is as of the date appearing in the Corporate Governance Report of Thai Listed Companies. As a result, the survey results may be changed after that date. FSS International Investment Advisory Company Limited does not confirm nor certify the accuracy of such survey results.

\* CGR scoring should be considered with news regarding wrong doing of the company or director or executive of the company such unfair practice on securities trading, fraud, and corruption SEC imposed a civil sanction against insider trading of director and executive

#### Level

Certified

This level indicates practical participation with thoroughly examination in relation to the recommended procedures from the audit committee or the SEC's certified auditor, being a certified member of Thailand's Private Sector Collective Action Coalition Against Corruption programme (Thai CAC) or already passed examination to ensure independence from external parties.

Declared

This level indicates determination to participate in the Thailand's Private Sector Collective Action Coalition Against Corruption programme (Thai CAC)

#### Disclaimer:

The disclosure of the Anti-Corruption Progress Indicators of a listed company on the Stock Exchange of Thailand, which is assessed by Thaipat Institute, is made in order to comply with the policy and sustainable development plan for the listed companies of the Office of the Securities and Exchange Commission. Thaipat Institute made this assessment based on the information received from the listed company, as stipulated in the form for the assessment of Anti-corruption which refers to the Annual Registration Statement (Form 56-1), Annual Report (Form 56-2), or other relevant documents or reports of such listed company. The assessment result is therefore made from the perspective of Thaipat Institute that is a third party. It is not an assessment of operation and is not based on any inside information. Since this assessment is only the assessment result as of the date appearing in the assessment result, it may be changed after that date or when there is any change to the relevant information. Nevertheless, FSS International Investment Advisory Company Limited does not confirm, verify, or certify the accuracy and completeness of the assessment results.

Note: Companies participating in Thailand's Private Sector Collective Action Coalition Against Corruption programme (Thai CAC) under Thai Institute of Directors (as of 26 October 2021) are categorised into: 1) companies that have declared their intention to join CAC, and; 2) companies certified by CAC.

#### **Additional Disclosures**

Target price history, stock price charts, valuation and risk details, and equity rating histories applicable to each company rated in this report is available in our most recently published reports. You can contact the analyst named on the front of this note or your representative at Finansia Syrus Securities Public Company Limited

FSSIA may incorporate the recommendations and target prices of companies currently covered by FSS Research into equity research reports, denoted by an 'FSS' before the recommendation. FSS Research is part of Finansia Syrus Securities Public Company Limited, which is the parent company of FSSIA.

All share prices are as at market close on 27-Feb-2023 unless otherwise stated.

# RECOMMENDATION STRUCTURE

# Stock ratings

Stock ratings are based on absolute upside or downside, which we define as (target price\* - current price) / current price.

BUY (B). The upside is 10% or more.

HOLD (H). The upside or downside is less than 10%.

REDUCE (R). The downside is 10% or more.

Unless otherwise specified, these recommendations are set with a 12-month horizon. Thus, it is possible that future price volatility may cause a temporary mismatch between upside/downside for a stock based on market price and the formal recommendation.

\* In most cases, the target price will equal the analyst's assessment of the current fair value of the stock. However, if the analyst doesn't think the market will reassess the stock over the specified time horizon due to a lack of events or catalysts, then the target price may differ from fair value. In most cases, therefore, our recommendation is an assessment of the mismatch between current market price and our assessment of current fair value.

#### **Industry Recommendations**

Overweight. The analyst expects the fundamental conditions of the sector to be positive over the next 12 months.

Neutral. The analyst expects the fundamental conditions of the sector to be maintained over the next 12 months.

Underweight. The analyst expects the fundamental conditions of the sector to be negative over the next 12 months.

# **Country (Strategy) Recommendations**

**Overweight (O).** Over the next 12 months, the analyst expects the market to score positively on two or more of the criteria used to determine market recommendations: index returns relative to the regional benchmark, index sharpe ratio relative to the regional benchmark and index returns relative to the market cost of equity.

**Neutral (N).** Over the next 12 months, the analyst expects the market to score positively on one of the criteria used to determine market recommendations: index returns relative to the regional benchmark, index sharpe ratio relative to the regional benchmark and index returns relative to the market cost of equity.

**Underweight (U).** Over the next 12 months, the analyst does not expect the market to score positively on any of the criteria used to determine market recommendations: index returns relative to the regional benchmark, index sharpe ratio relative to the regional benchmark and index returns relative to the market cost of equity.
